## Church Vision

In October we are continuing to explore what our church vision means for us here at Panshanger.

The home group notes will follow on from the Sunday teaching. These groups are a great way to wrestle with the Scripture to see what God is saying to us individually and as a church. Together we are seeking to **Know** God's Love, **Grow** in the Holy Spirit. **Go** in Christ's Name

## Worship Services

Our 10am services are made up of different parts to help us explore the nature of God as we meet. The first part of the service is where we **Gather** together, reminding ourselves of who God is. We then move to a **Devotional** time of worship, reflecting on who we are and the nature of God. After this our hearts are prepared for **intercession**, the **reading** and the **teaching of God's Word**. After the sermon we are then invited to **Respond** to what God might be saying to us and how we are to live in our Frontline. We are then **Sent Out** into our mission field with our closing worship.
